Pursuant to IC 27-1-3-13, annual and quarterly statements must be prepared in accordance with NAIC Annual Statement Instructions.
3. Changes to the 2006 Annual Statement as the result of correspondence with this Department, or due to the requirements of other Departments of which this Department has been notified, should be taken into consideration in preparing the 2007 Annual Statement.
4. Changes resulting from a Department Examination must be reflected in the Annual Statement.
5. Indiana stock companies must comply with Rules 11 & 12 issued in 1966.
6. Statement of Condition – Section 2 - Indiana Code 27-1-18-5:

If the department, on examination of such statement, determines from information available to it that it is true and correct, it shall cause such statement to be published in a newspaper in this state selected by the department. In the event the department determines that the statement submitted by a company is inaccurate or incorrect, it shall, after giving the company notice to the proposed changes and an opportunity to be heard, certify the corrected statement and proceed with its publication as above provided. The company shall bear the expenses of the publication, but in no event shall an amount exceeding forty dollars (\$40) be charged for such publication.
